

Bronze Property Listing

The ultimate digital property showcase

Who is Homely?

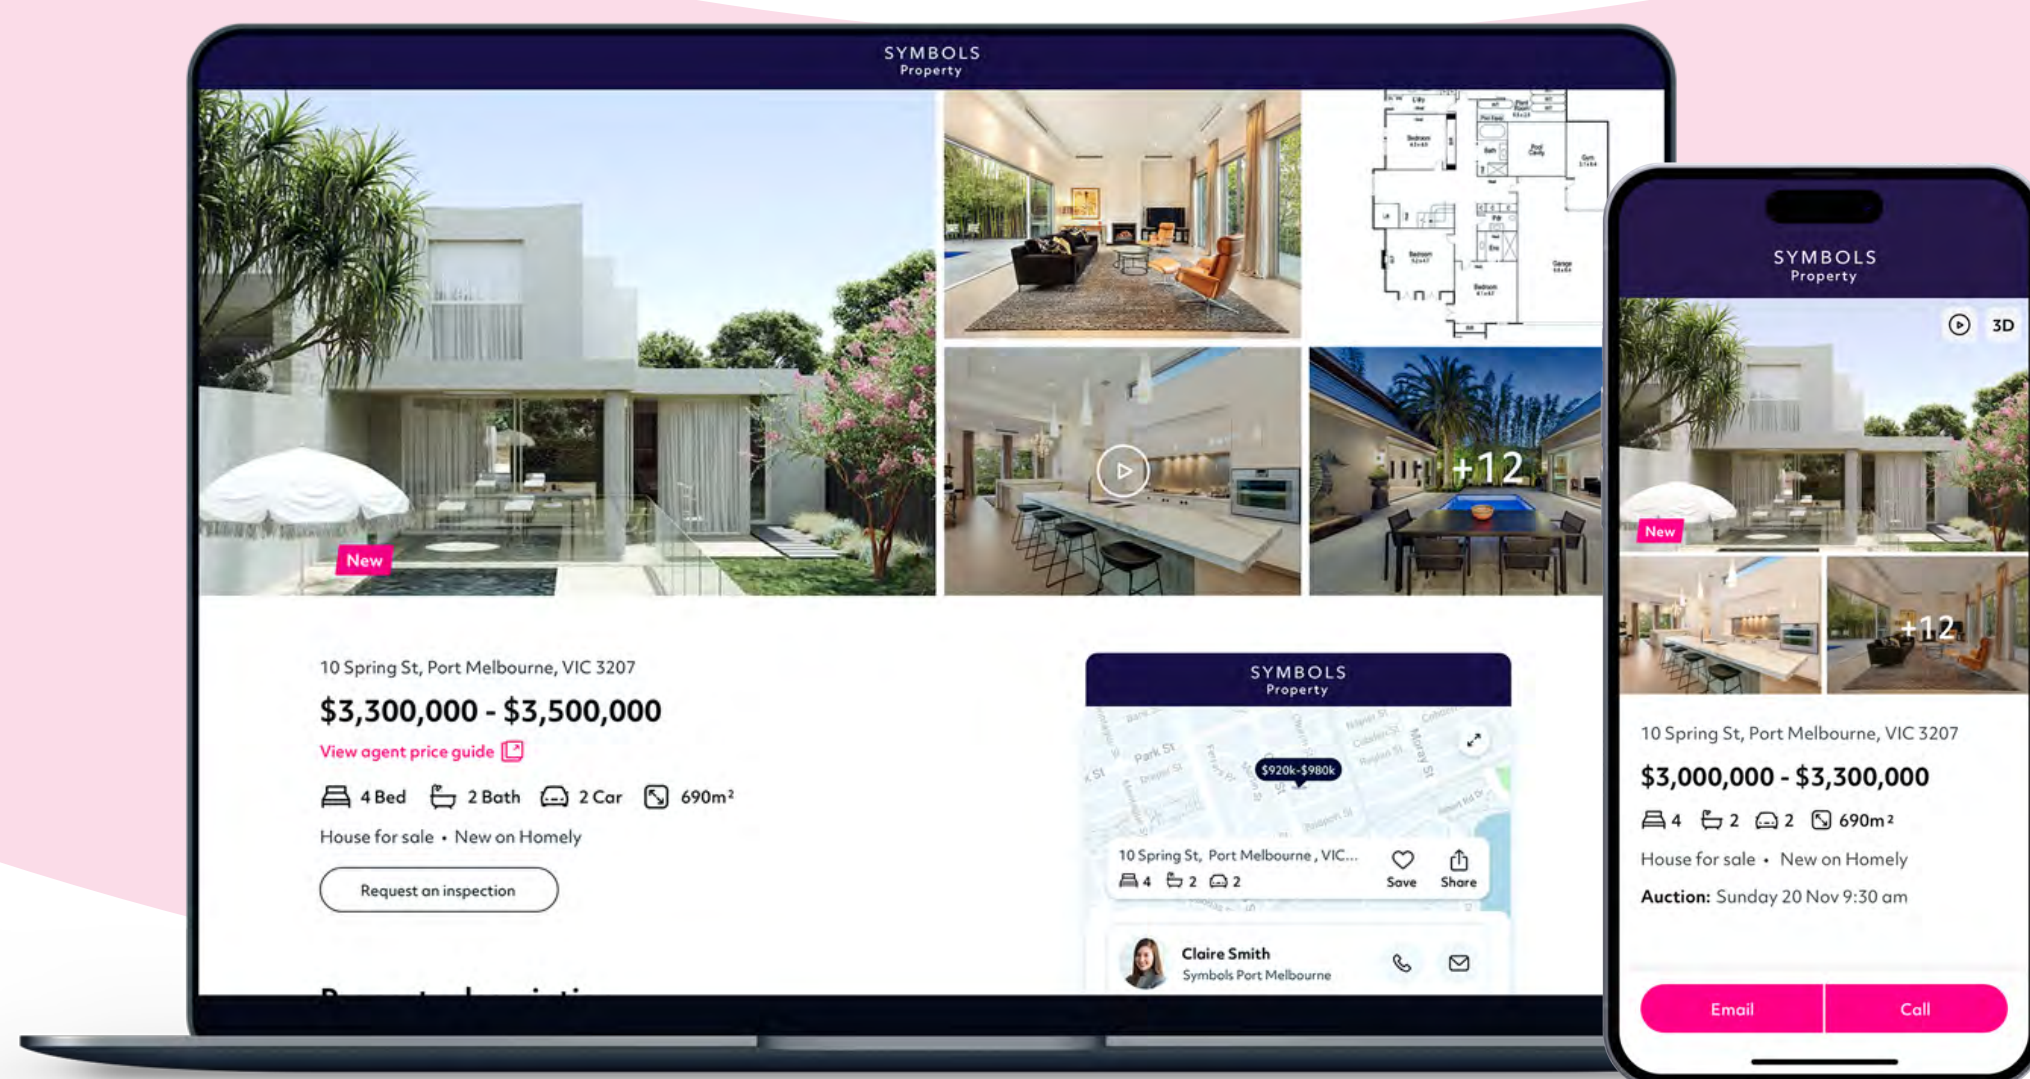

Homely.com.au is an Australian-owned and industry supported real estate search website. We offer homes for sale and rent, with suburb reviews and insights from real locals to help you make better property decisions.

We're committed to making it easier to find your next home – and more affordable to sell your current one.

What can Homely do for you?

We help the right buyers and renters to find your home

Our award-winning site ranks highly on search engines for popular questions from buyers and renters.

Showcase your listing to active property researchers

We have Australia's largest collection of street and suburb reviews and ratings, viewed by property seekers millions of times each year.

Cost-effective advertising that gives your home more exposure

Homely offers effective advertising solutions and access to a highly engaged audience.

Supported by the Australian real estate industry

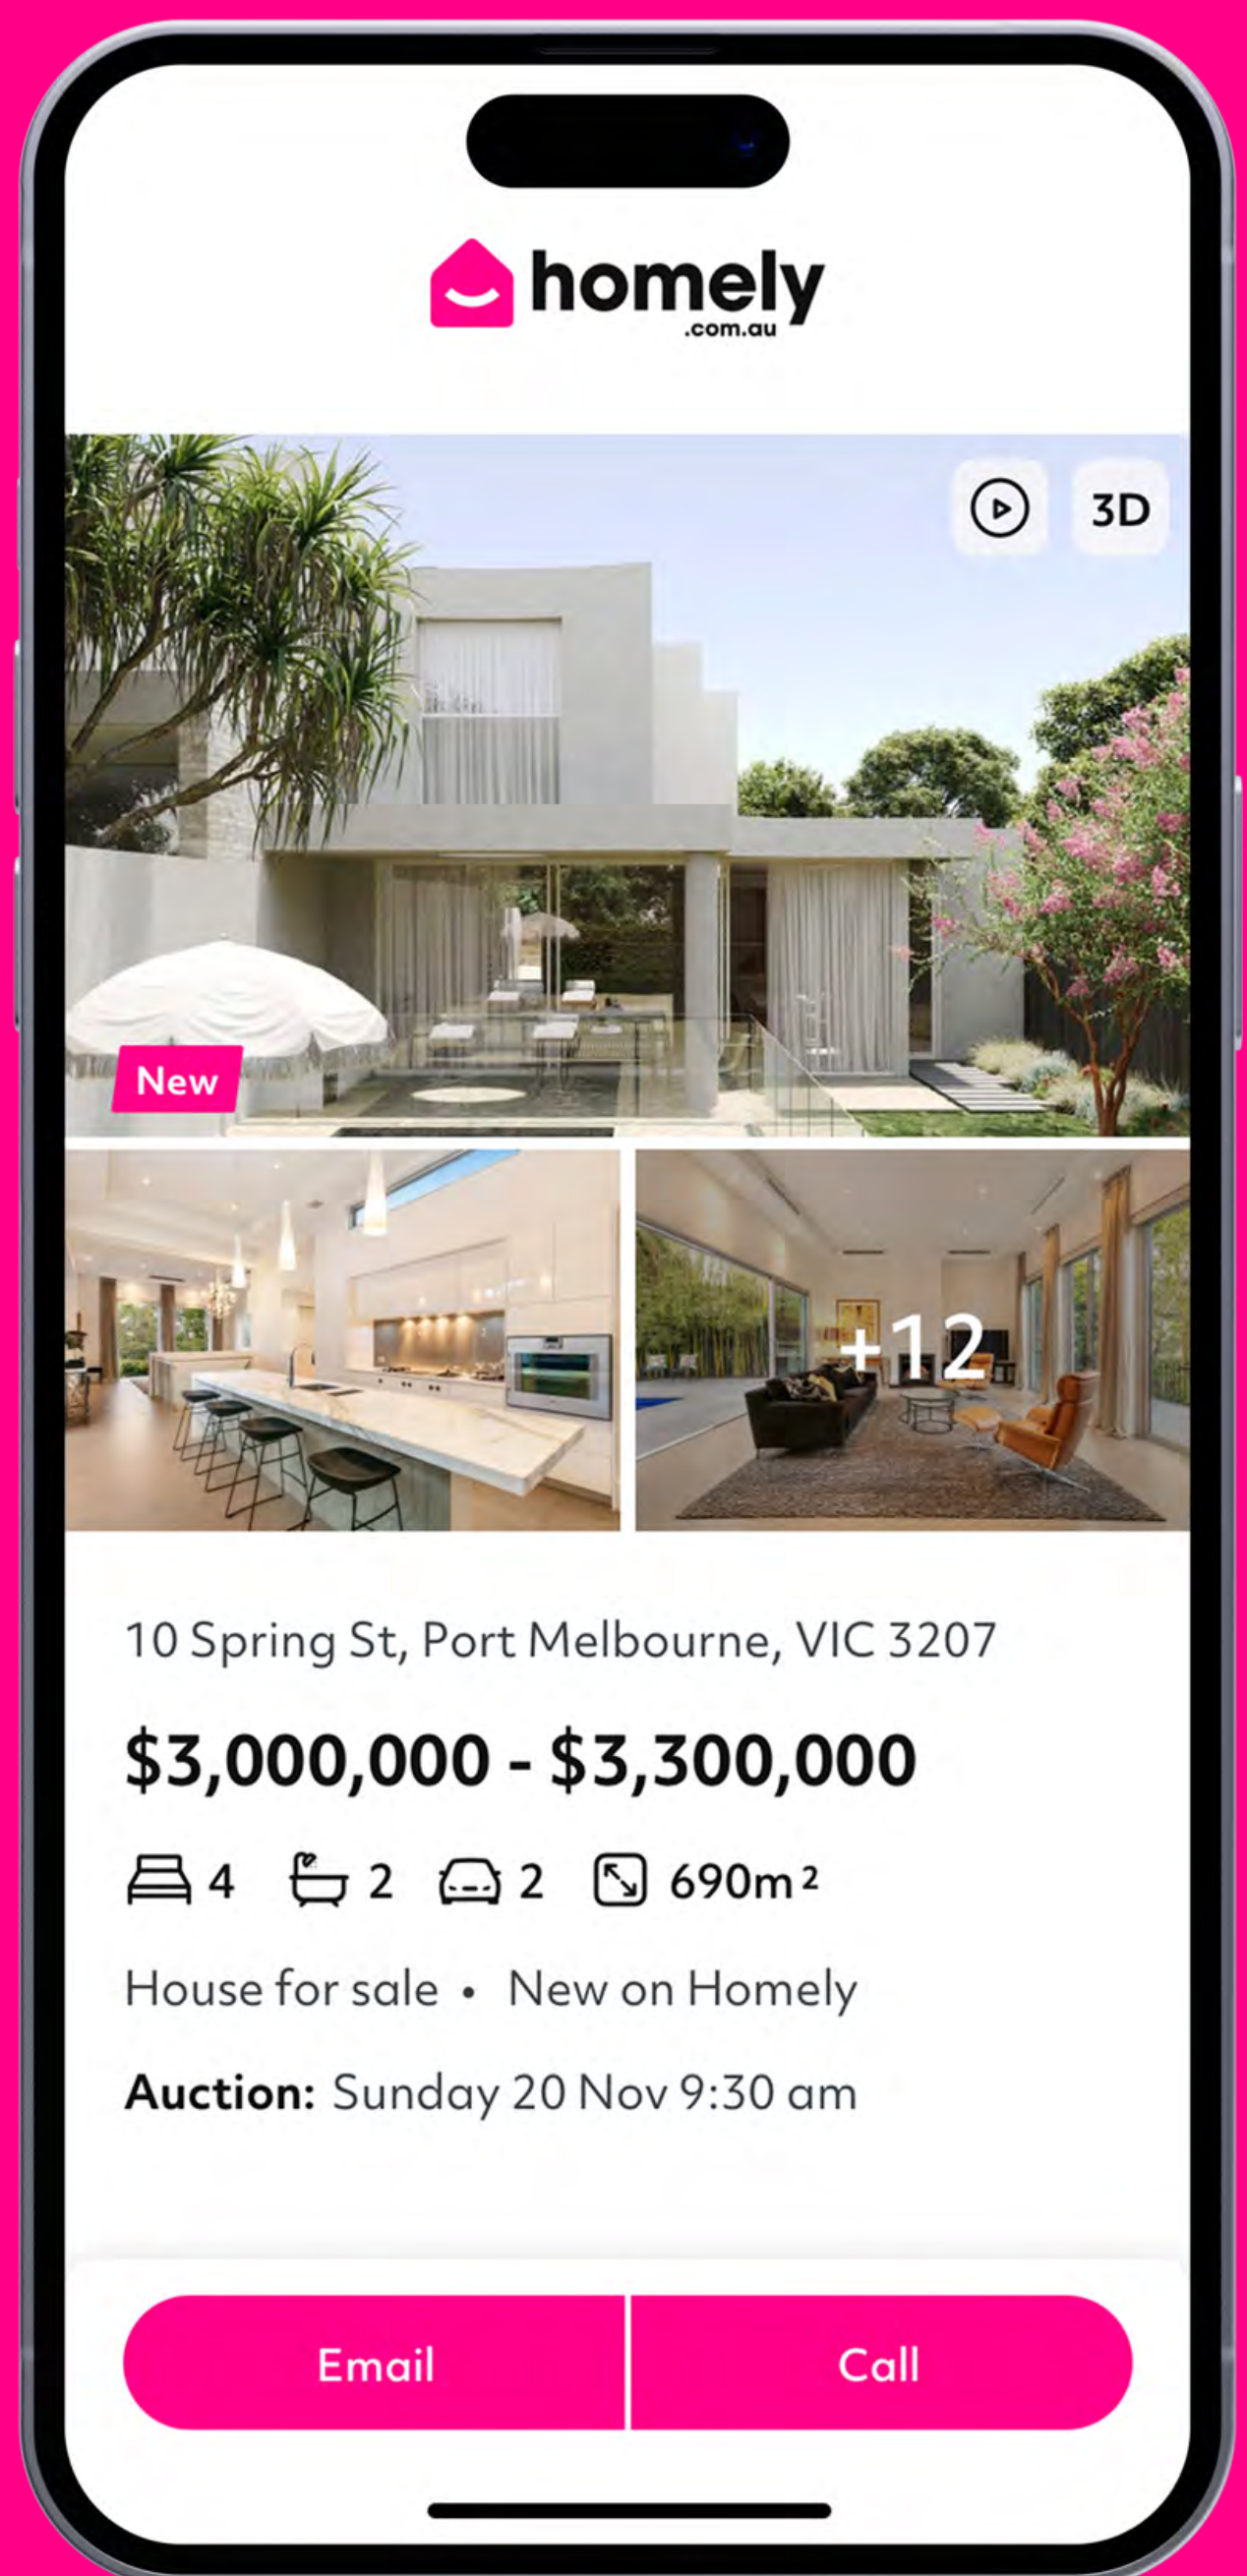

Homely is supported by more than 9,000 agencies to bring much needed competition to the industry.

Increase your impact with a Homely Bronze Listing

3x THE
SIZE*

- 3x the size of a Basic listing
- Sit above all Basic listings for more exposure
- Large listing cards with high impact property images and videos
- Consistent exposure with 10-day rotation back to the top of Bronze listings
- Prominent position in search results pages, property carousels and alert emails
- Bronze status for the lifetime of the campaign

* Compared with Basic listings on Homely.

Write your own Vendor Street Review

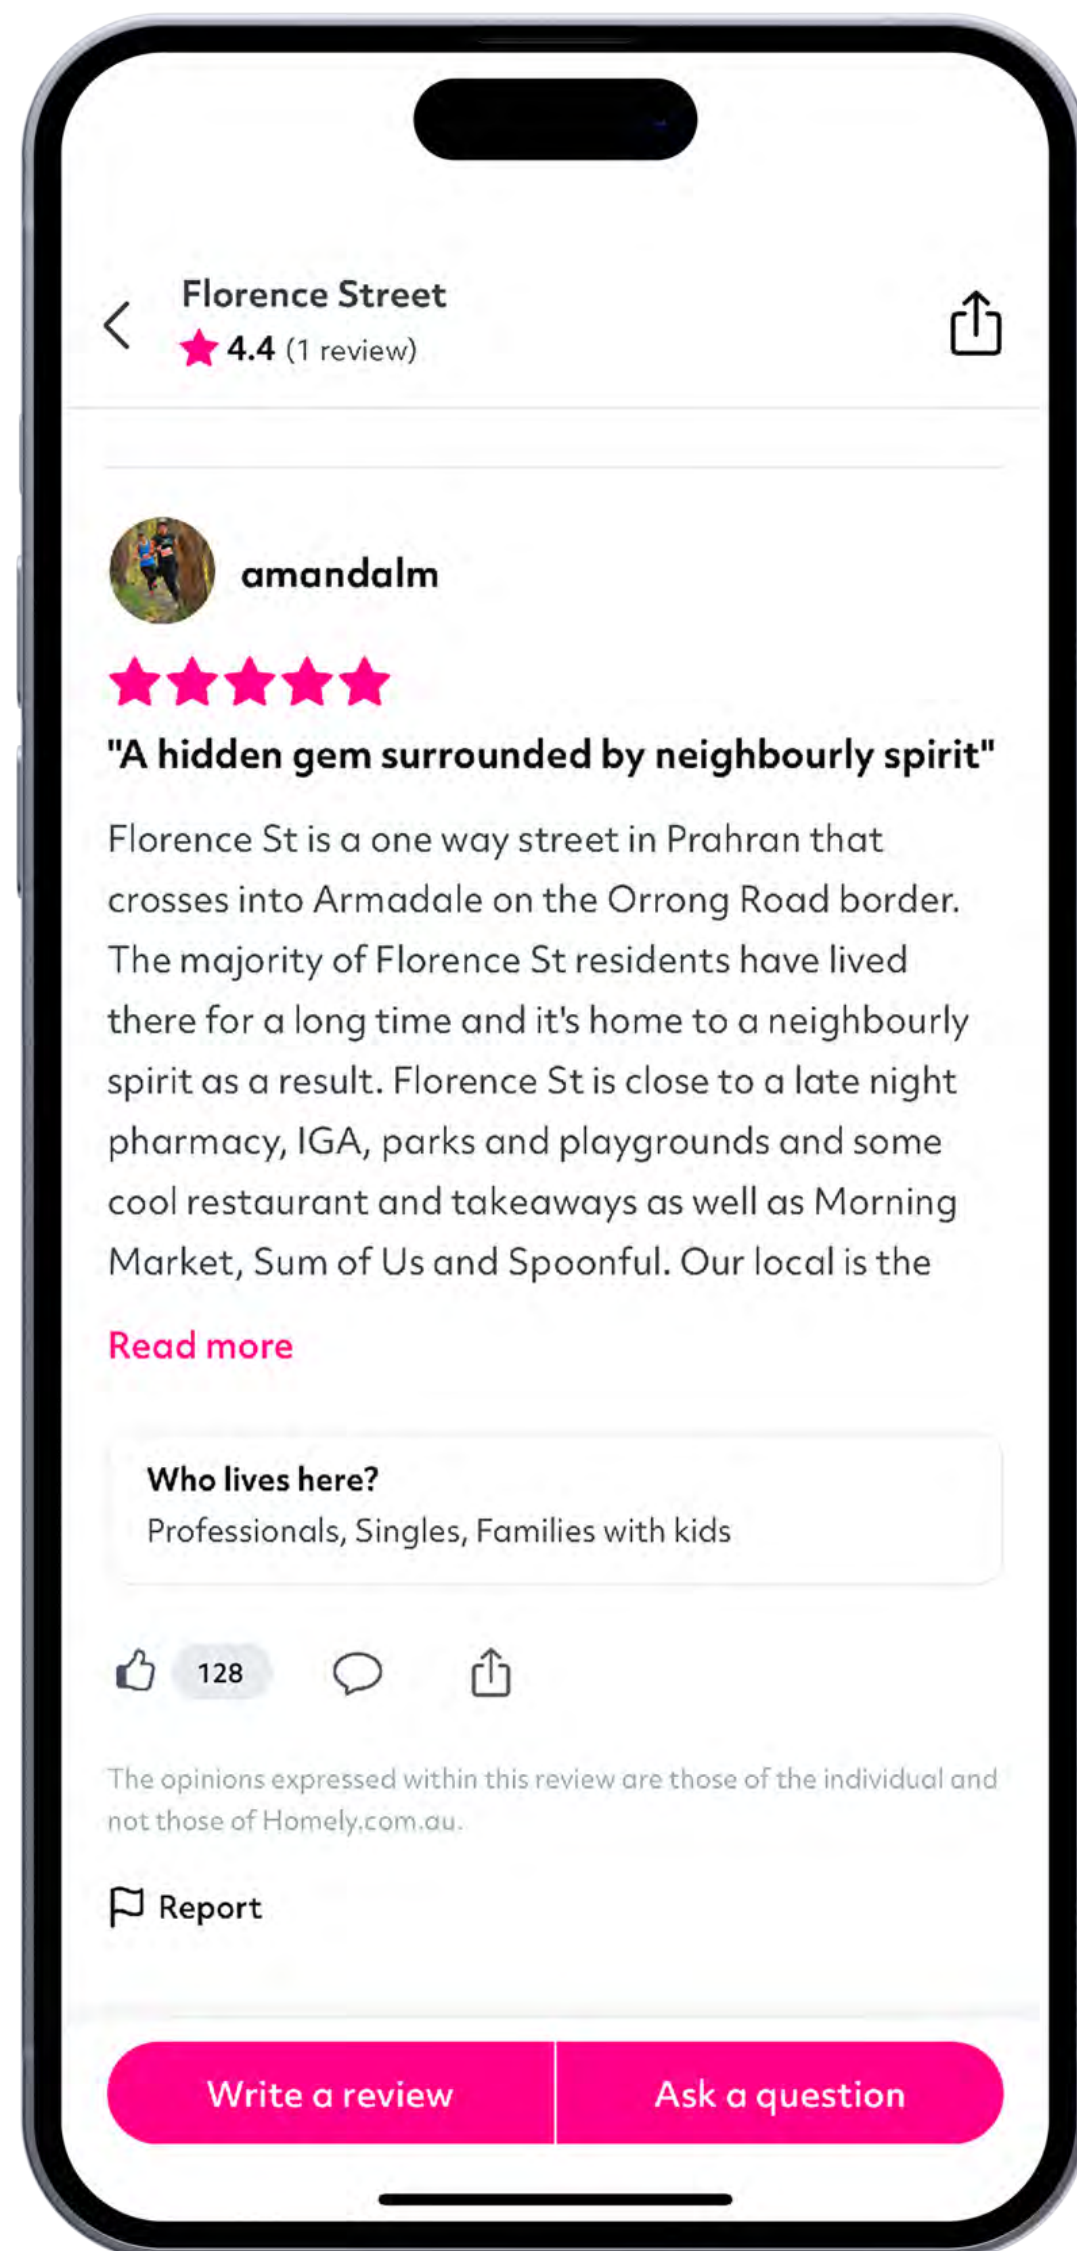

Your local insights can help sell your property even faster.

Give people even more of a reason to buy your property with Vendor Street Reviews.

Writing a Vendor Street Review helps prospective buyers understand why you bought your property and what you like about the area. Your review will be featured in our neighbourhood review section and promoted to people who are searching for properties in your area.

Ask your agent to invite you to submit your review on Homely

Exclusive to Homely

Are you looking to buy or rent?

Browse thousands of listings and research the area before you move using our exclusive street and suburb reviews.

Start your property search with Homely today.
